My dear Mrs. Chapman:-

Through the  
Richmond State Library I have heard  
that you have looked up the  
Samuel Chamberlain line. Could  
you tell me about Elizabeth  
Chamberlain, his daughter? I  
know she married Sampson  
Laird, <sup>of Brunswick Co.</sup> and later Gilbert Smith.  
Smith died 1780. Did she marry  
again? Did she leave a will?  
If so in what county? In what  
county did her brother, William,  
live?

Please let me know what the  
fee is for this negotiation so I  
may send you a check.

Very sincerely yours,  
(Mrs.) Eleanor J. Rose
